

BUILD A JELLY BEAN DIAGRAM IN 3 EASY STEPS!

SAMPLE

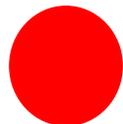

WHY USE THIS TOOL?

The jelly bean diagram helps community collaborations answer three critical questions.

1 What sectors in our community have a direct influence on the issue we are seeking to address?

2 What organizations, entities, and groups are connected to the issue we are seeking to address?

3 Who are the specific community residents, elected officials, and leaders needed at the table?

COMMUNITY SECTORS

Government

Public Safety

Education

Community Organizations

Health

Workforce Development

Housing

STEP ONE

Identify key sectors in your community.

Assign each sector a unique jelly bean color.

ENTITIES, ORGANIZATIONS, GROUPS

Community Organizations

Organization	Type	Current Connection	Resources
Family Foundation USA	Funder/ Grantmaker	New grant program for workforce development	Financial investment Backbone Support
United Way of ABC Town	United Way	Recently formed Employer Network	Financial investment Employer groups
YMCA of ABC Town	Non-profit	90% of families served are unemployed.	In-kind staff support Leadership Connection to target audience

STEP TWO

Identify specific entities, organizations, and groups within each sector.

Use jelly diagram worksheet.

PRIORITIZE & ASSIGN

Community Organizations

Organization	Type	Assigned To	Contact Type	Due Date
Family Foundation USA	Funder/ Grantmaker	Joy Drivers	Phone Call	November 1
United Way of ABC Town	United Way	Tony Meyers	Coffee	November 8
YMCA of ABC Town	Non-profit	Victor Aguilera	Email	November 8

STEP THREE

Prioritize the top 3 most critical organizations within each sector.

Assign each organization to an individual on your team.
