# Call List

Use this randomly generated list as your call list when playing the game. There is no need to say the BINGO column name. Place some kind of mark (like an X, a checkmark, a dot, tally mark, etc) on each cell as you announce it, to keep track. You can also cut out each item, place them in a bag and pull words from the bag.

1 Children achieve kindergarten readiness.	2 821 IDA accounts opened	3 Participants are hopeful about their futures.	4 1,000 referrals made.	5 500 Section 8 Vouchers disbursed	6 Participants understand how to connect to community resources.	7 1,000 opioid crisis interventions made.	8 Participants understand addition and prevention.
9 Participants learn how to create a business plan.	10 Participants learn job interviewing skills.	11 Participants gain confidence when interviewing.	12 500 families served	13 186 children enrolled in HeadStart	14 1,000 job placements made	15 300 housing counseling sessions.	16 Participants launch a new business.
17 250 utilities bills paid.	18 100 meals served	19 Participants successfully maintain employment.	20 Participants understand the principles of budgeting.	21 Participants purchase their first home.	22 Participants gain financial security.	23 \$100K in rental assistance provided	24 500 shelter beds.
